

KJM STONES · ENGINEERED QUARTZ

Bianco Carrara

timeless Italian minimalism

Delicate wisps of soft grey drift across a pure white field — the classic Italian Carrara aesthetic, engineered as premium quartz. Bianco Carrara brings quiet, understated luxury to every space, a surface designed to complement rather than compete.

— quiet luxury, engineered to last — the classic white, without compromise

SPECIFICATION

Name	Bianco Carrara
Material	Engineered quartz
Appearance	Pure white base · soft grey veining
Finish	Polished
Thickness	3 cm
Slab size	Jumbo · 138" × 79"
Origin	Direct import
SKU	KJM-BC-3004

PERFORMANCE

- Non-porous — no sealing required
- Scratch resistant
- Stain resistant
- Heat resistant (use trivets)
- Consistent slab-to-slab pattern

APPLICATIONS

Countertops · islands · waterfall edges · backsplashes · bathroom vanities · feature & accent walls · commercial surfaces

Marketing note: describe as the look of Italian Carrara marble — Bianco Carrara is engineered quartz, not natural stone. Slight variation in veining is inherent to the material.
