

KJM STONES · ENGINEERED QUARTZ

Calacatta *Sterling*

cool white, rivers of silver

A crisp white canvas crossed by veins of silver-grey — the timeless drama of Italian Calacatta marble, held in the strength and low upkeep of premium quartz.

— marble's drama, quartz's calm — silver veining, engineered to last

SPECIFICATION

Name	Calacatta Sterling
Material	Engineered quartz
Appearance	White base · silver-grey veining
Finish	Polished
Thickness	3 cm
Slab size	Jumbo · 138" × 79"
Origin	Direct import
SKU	KJM-CST-3003

PERFORMANCE

- Non-porous — no sealing required
- Scratch resistant
- Stain resistant
- Heat resistant (use trivets)
- Consistent slab-to-slab pattern

APPLICATIONS

Countertops · islands · waterfall edges · backsplashes · bathroom vanities · feature & accent walls · commercial surfaces

Marketing note: describe as the look of Italian Calacatta marble — Calacatta Sterling is engineered quartz, not natural stone. Slight variation in veining is inherent to the material.
