

KJM STONES · ENGINEERED QUARTZ

Vesper Gold

bold veining, twilight drama

Dark rivers of grey and warm gold carve through a luminous white field — a surface with the bold, sculptural presence of fine Italian marble and the enduring strength of premium quartz. Vesper Gold commands the room.

— dramatic veining, engineered to last — the statement surface

SPECIFICATION

Name	Vesper Gold
Material	Engineered quartz
Appearance	White base · dark grey & warm gold veining
Finish	Polished
Thickness	3 cm
Slab size	Jumbo · 138" x 79"
Origin	Direct import
SKU	KJM-VG-3008

PERFORMANCE

- Non-porous — no sealing required
- Scratch resistant
- Stain resistant
- Heat resistant (use trivets)
- Consistent slab-to-slab pattern

APPLICATIONS

Countertops · islands · waterfall edges · backsplashes · bathroom vanities · feature & accent walls · commercial surfaces

Marketing note: describe as the look of Italian marble — Vesper Gold is engineered quartz, not natural stone. Slight variation in veining is inherent to the material.
